White Power Message: (415) 989-5399

Dear White American:

Thank you for contacting the WHITE AMERICAN RESISTANCE.

Thousands of organizations agitate for the interests of Blacks and other non-Whites. But how many groups stand up for the cultural values and ideals of the White majority? Not many.

Consequently, we are faced with anti-White discrimination in jobs and promotions; college admissions and scholarships; high taxes for minority welfare; brutal crime; gun control; a continuous flood of non-White aliens; forced school integration; anti-White movies and T.V. programs; in short, a society oriented toward the wishes of minorities.

The San Francisco unit of the WHITE AMERICAN RESISTANCE was founded for the purpose of organizing Bay Area White people into an effective and unified force. We hold in total contempt any government, organization or ideology which attacks the interests of White working people.

At present, the battle is being fought primarily through the dissemination of information. Cities and towns throughout the Bay Area are being flooded with ever-increasing amounts of pro-White literature.

Although we are making progress, the road to White victory is long and hard. We need more people, and additional funds, in order to reach our goal.

Many of our members wish to maintain a low profile because of their jobs or other reasons, and we are sensitive to this need.

We are not asking you to put on a uniform and march down the street. But if we are to succeed, IT IS IMPERATIVE THAT EVERY WHITE PERSON WHO AGREES WITH OUR CAUSE RENDER SOME FORM OF ASSISTANCE!

MAKE HISTORY, NOT EXCUSES. JOIN THE WHITE AMERICAN RESISTANCE!

Sincerely,

Domestic Security preliminary inquiry initiated [REDACTED]

In November, 1983, a citizen made available to the San Francisco Office a copy of a card which was placed in her mailbox from captioned group. A copy of the card is attached. The Fallbrook, California address displayed on the card was found through search of available records to be that of a Post Office Box utilized by TOM METZGER, who is the self-described director of the Ku Klux Klan in California. In 1980, METZGER ran for Congress on the Democratic ticket but was defeated in the general election.

On 3/5/84, Inspector [REDACTED] San Francisco Police Department (SFPD), who is assigned as [REDACTED] advised that due to increased circulation of anti-semitic or "Nazi" literature which was occurring at San Francisco that he conducted an investigation regarding the White American Resistance party. [REDACTED] stated his investigation showed that the telephone number utilized by "W.A.R." 989-5399 contained a tape recorded message which was anti-semitic and racist in nature, however did not violate any state or local statutes. The telephone number in question was

traced by the telephone company to 9 Hardie Place, San Francisco and the listing was registered to TOM NETZGER of Fallbrook, California,

Other investigation showed that the 9 Hardie Place address did not exist and a special request was made by Inspector [redacted] to the Chief Special Agent's Office of Pacific Telephone to retrace the phone line to determine its exact location. [redacted] said he was subsequently informed that the number had been traced to a basement storage room located in a building located at 154 Sutter Street, San Francisco. He further learned that the basement storage rooms of this office building were under the control of [redacted]. [redacted] said he subsequently contacted [redacted] and asked for assistance in the investigation. [redacted] immediately became very evasive when specifically asked questions regarding his knowledge of who, besides himself had access to the basement storage area where it was known a telephone recorder was operating. [redacted] became belligerent during the interview and refused to identify the persons using the storage room. Later [redacted] did recontact Inspector [redacted] and advised that he had contacted the person who had placed the recorder in the storage room and that it would be moved within 30 days. He again refused to identify the subject using the room however he did admit that this friend's name was [redacted].

Through other sources Inspector [redacted] learned that [redacted] described himself as a [redacted] [redacted] has been described as [redacted] [redacted] said that he has displayed photographs of [redacted] to his confidential source who positively identified [redacted].

San Francisco notes that in December, 1982, San Francisco initiated an investigation [redacted] in that [redacted] was identified as [redacted].

He was born [redacted]

[redacted] activities at that time allegedly included operating the right wing hotline and the distribution and plastering of anti-semitic posters with swastikas, lightning bolts and other neo-Nazi symbols on hate messages. Media reports at that time advised that [redacted]

[redacted] as being "obsessed with Nazi artifacts and ADOLF HITLER." Bureau authority to continue the investigation was denied.

On 3/23/84, Inspector [redacted] advised that the W.A.R. telephone recording number had been issued a new telephone number 626-4458 and had been moved to 43 Page Street, San Francisco and again the subscriber was TOM METZGER. Subsequent investigation by the SFPD indicated this is the location of Fillmore Self Storage Company and it was determined that [redacted] had made the arrangements to rent a storage space and to install a telephone line.

Inspector [redacted] also made available a copy of a letter which was received by a person who made an inquiry to Post Office Box 202, San Francisco. Inquiry by the SFPD with the Postal Inspection Service determined that that post office box is rented by TOM METZGER, 308 Sunbeam Street, Fallbrook, California. METZGER used identification of a California Drivers License M0191725 with an additional address of Post Office Box 65, Fallbrook, as identification in opening the box. An inquiry to the box by SFPD resulted in the receipt of an application form for W.A.R. which bears the name of both TOM METZGER and [redacted]. A separate inquiry by the SFPD resulted in the receipt of the W.A.R. newspaper published from Fallbrook.

A copy of the application form is being attached to this airtel.

On 7/3/84, Inspector [redacted] San Francisco Police Department Intelligence Unit, advised that a source of the Santa Clara County Sheriff's Office had advised the SFPD that [redacted]

At this time San Francisco is not opening a separate case on [redacted] until it can be determined what type of direction and focus he provides to W.A.R. b6 b7C

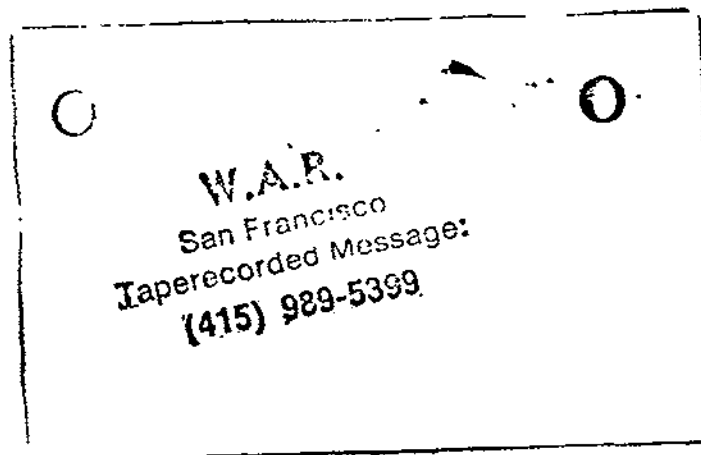

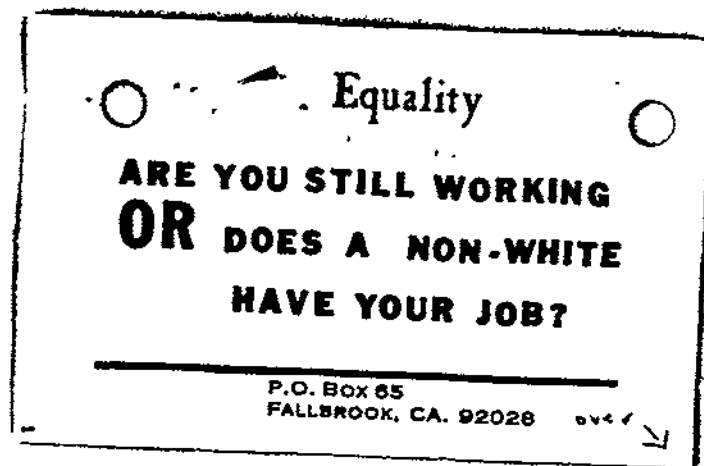

It is also interesting to note that TOM METZGER was listed among those participants at the meeting held on July 26 and 27, 1984, of the Aryan Nations Church of Jesus Christ Christian, at Hayden Lake, Idaho. METZGER's role in the activities of W.A.R. will be closely monitored and the Bureau and interested offices will be advised if new information regarding METZGER is determined.

This domestic security investigation has been coordinated with the Civil Rights squad, San Francisco so that if it is determined that Civil Rights violations occur, they can be quickly and appropriately handled.

WHITE AMERICAN RESISTANCE
DOMESTIC SECURITY - TERRORISM

Predication:

During the night of August 6 - 7, 1984, various Jewish synagogues and a Hebrew school in San Francisco were plastered with posters which were marked with swastikes and inscribed, "Death to Jews, Long Live the PLO." A source of the Santa Clara, California Sheriff's Office advised White American Resistance (WAR) was responsible for these posters.

WAR is described as an umbrella group in the San Francisco Bay Area which combines the activities of the Ku Klux Klan and other right-wing extremists. The purported leader of WAR is THOMAS METZGER, a known member of the "Order" code named Radio, who is believed to have received \$200,000 in robbery loot from other "Order" members.

Subsequently it was established that the main leaders of WAR in the San Francisco area are:

Metzger says he is collaborating with Farrakhan

From News Services

LOS ANGELES — Thomas Metzger, a former leader of the Ku Klux Klan in California and now head of a "white-nationalist" organization, said talks — including an exchange of information on "Jewish terrorist groups" — have been going on for more than a year between his group and the Black Muslim faction led by the Rev. Louis Farrakhan.

Metzger, a Fallbrook resident, told the *New York Times* this week that contacts between his association and Farrakhan's organization, which has an estimated 5,000 to 10,000 members, have been going on for about a year.

That includes "two or three occasions" when his group gave the Farrakhan people information on "the movements of Jewish terrorist groups that could have caused damage to (the Rev.) Jesse Jackson's campaign" and to Farrakhan himself, Metzger said.

Last year, Farrakhan for a time

supplied bodyguards and political support to Jackson when he was seeking the Democratic presidential nomination. Jackson severed ties with Farrakhan in the wake of growing protests over the volatile Muslim leader's statements.

Metzger, who founded the White People's Political Association shortly after an unsuccessful congressional bid in 1980, said the Jewish groups he was concerned about were the Jewish Defense League and the Jewish Defense Organization in California.

"We wanted to assure the Nation of Islam that white nationalists generally would not be part of any attacks on the Jackson campaign, and that if it happened it would be a result of somebody else trying to make it look like us," he said.

Metzger and nine members of his group attended a Sept. 14 Farrakhan rally here as guests of Farrakhan. Metzger said they contributed \$100 to support the Muslim's cause.

of Islam, a religious group, has been widely attacked in the past two years for statements that many consider anti-Semitic, among them assertions that Judaism is "a gutter religion" and that Hitler was a "great man."

The Muslim leader, who preaches on political and economic self-determination for blacks, attracted 15,000 people to the Los Angeles speech and about 10,000 to an appearance in Washington in July, drawing heavy criticism from Jewish leaders in both cities.

Prominent civil rights and political leaders in both cities, including Los Angeles Mayor Tom Bradley, were criticized by Jewish leaders for not denouncing Farrakhan's visits in advance.

Farrakhan is scheduled to speak Monday at Madison Square Garden in New York, where he has been repudiated in recent days by Mayor Edward Koch and a range of civic, religious and government leaders.

Dozens of New York politicians

and members of religious and ethnic groups lined up next to a hastily prepared platform outside Madison Square Garden yesterday and bitterly denounced Farrakhan as an anti-Semite, a racist and a bigot.

But, with TV cameras rolling, they urged New Yorkers not to picket Farrakhan's appearance because they said such publicity would further his cause.

Despite the participation of several black politicians and government officials in the protest, no major black organization was represented among the groups listed as members of the Coalition of Conscience protesting Farrakhan's speech.

Insisting it is "incumbent" upon blacks and whites to criticize Farrakhan, Koch said "there are people" who are "tiptoeing around this issue."

The mayor compared Farrakhan to "the Adolf Hitler of the 1920s," saying, "He's using economic issues, like Hitler, to vent anti-Semitism and

bigotry."

In an interview in California, Metzger — who claims he represents the white working class — denied that either his group's views or Farrakhan's were anti-Semitic. Instead, he said, they share a common interest in throwing off what he termed white "elitist" domination in the hands of corporations and the federal government.

Jewish spokesmen said they see in the Metzger-Farrakhan collaboration new justification for their calls for Farrakhan's repudiation.

"Mr. Farrakhan, by making common cause with Metzger, betrays his message of hate and prejudice," said Malcolm Hoenlein, executive director of the Jewish Community Relations Council in New York. "You judge a man by the company he keeps. For those who sought to excuse or to otherwise interpret Farrakhan's message, I think this spells it out very clearly."

SUSPECT: [redacted]

OFFENSE: 12303 P. C. (Possession of restricted devices)

On Sunday, February 9, 1986, investigators from the El Cajon Police Department and I and members of the San Diego County Sheriff's Department Bomb Unit, were investigating various subjects in the East County area who were in possession of numerous sticks of dynamite. As a result of information received from other subjects involved in this investigation, I learned that subject [redacted] had been in possession of three sticks of dynamite and a blasting cap and had been attempting to sell these items in the East County area. Based on this information, it was learned that he had been staying in the vicinity of [redacted] in the City of [redacted]. At approximately 0245 hours on 2-9-86, [redacted] was observed in the parking lot of that [redacted] in the company of another subject by the name of [redacted]. At this time [redacted] was placed under arrest and was advised that the officers there were doing a follow-up investigation regarding possession of dynamite of which he supposedly had three (3) sticks in his possession. [redacted] stated that he no longer had the dynamite but would lead us to a friend of his to whom he had given the dynamite to hold for him.

On Sunday, February 9, 1986, at approximately 0410 hours, I interviewed [redacted] at the El Cajon Police Department Investigative Unit. [redacted] was admonished of his constitutional rights and stated that he understood his rights and was willing to talk with me. The following is a statement made by [redacted]

[redacted] stated that approximately two weeks ago he was approached by a subject by the name of [redacted] who told him that a juvenile by the name of [redacted] had stolen a large amount of dynamite and that [redacted] was trying to sell the dynamite at \$15.00 a stick. At this time [redacted] had in his possession approximately twenty (20) sticks of dynamite which he was carrying in a white tote bag. [redacted] stated that he told [redacted] he was not interested in the dynamite however, several days later [redacted] gave him three sticks of dynamite and a blasting cap. To [redacted] best recollection this occurred approximately either Wednesday or Thursday, February 4th or 5th, 1986.

b6
b7c

[redacted] stated that he did not know what to do with the dynamite so he took it to a friend's house. This friend was [redacted] who lives at [redacted] CA. [redacted] stated that he told [redacted] to hold the dynamite for him and he would pick it up later.

I asked [redacted] to describe the items that he gave [redacted] and he replied that it was three sticks of dynamite that were approximately one inch in diameter, orange in color and a blasting cap which had blue and yellow wires protruding from it. [redacted] stated that he knew that it was illegal to possess dynamite although he felt that it was a misdemeanor. While talking with [redacted] he admitted that he has in fact been injecting crystal (methamphetamine) approximately once a week and that he uses two to three joints of marijuana per day.

b6
b7c

[redacted] stated that he did not know where any other dynamite may be and that he only had in his possession the three sticks of dynamite and a blasting cap.

The interview was concluded and [redacted] was booked into County Jail by the El Cajon Police Department.

SUBJECT:

[REDACTED]

On Sunday, February 9, 1986, at approximately 0252 hours, officers from the El Cajon Police Department, San Diego County Sheriff's Bomb Unit and I went to [REDACTED] after receiving information from a subject by the name of [REDACTED] that he had given three sticks of dynamite and a blasting cap to an individual known as [REDACTED]. As officers approached the house, a subject was at the front door and the door was open with the subject standing in the doorway. He yelled at several people who were inside the residence, including [REDACTED] that the police were coming and he attempted to close the door. At this time I identified myself as a San Diego Police Officer demanding entry for an investigation and pushed the door open and contacted [REDACTED] in the living room of his residence. I explained to him that we were there for the purpose of retrieving three sticks of dynamite and a blasting cap which we had been told were at this location.

b6
b7C

At this initial contact [REDACTED] was evasive, however, we explained that we had been searching throughout El Cajon and the East County and picking up subjects who had dynamite in their possession and that we were aware that he was holding three sticks of dynamite. At this time [REDACTED] stated he would show the officers where the dynamite was located in his garage. The dynamite was located by Sgt. [REDACTED] of the San Diego Sheriff's Bomb Unit. While searching the garage Sgt. [REDACTED] located a blasting cap and other explosive devices that had been made by [REDACTED]. As a result of this search, [REDACTED] was placed under arrest and transported to the El Cajon Police Department. He was interviewed by Sgt. [REDACTED] of the El Cajon Police Department and Sgt. [REDACTED] of the San Diego Police Department Intelligence Unit. (See report submitted by Sgt. [REDACTED] for interview of subject [REDACTED]).

On 2-8-86 (Saturday), I received a telephone call at my residence from Lt. [] ECPD, the On Duty Watch Commander, who informed me that he had received information from a Det. [] from SDPD that there was a subject in [] who was storing an unknown quantity of dynamite. It was also his information at that time that the dynamite in question was "weeping" and that there was some question as to its stability. With that information, I contacted Det. [] and went to ECPD.

At approximately 5:30 that same evening, I met with Sgt. [] and Det. [] of SDPD, Sgt. [] of SDSO, and Det. [] of ECPD. At that time we were briefed by Sgt. [] and Det. [] as to their original information. With that a telephone call was made to [] and arrangements were made to meet him in the area of Mollison and Washington. At approximately 7:25 p.m., Sgt. [] and I met [] in the southeast parking lot of Mollison and Washington. At that time, [] gave us some brief history as to how the dynamite had come into his possession. For details of that refer to the attached interview of [] by Det. []

After this conversation, [] voluntarily took us to a parking lot on the south side of the apartment complex at [] He walked up to the rear of a vehicle which he identified as his and taking the keys from his pocket, opened the rear trunk. He pointed out the bags in that vehicle which contained dynamite to Sgt. [] Those items were removed and examined by Sgt. [] For details reference those items, refer to Sgt. [] supplemental report.

At that time, I asked [] if there were any additional items of contraband or explosive in his apartment. He said there were none. I asked for and received a consent search of that apartment. Once inside, I made contact with [] A search of the apartment was made but no items of contraband were obtained. A shotgun was removed from the residence and taken by ECPD for sakekeeping and further investigation. [] indicated that the shotgun belonged to him. That shotgun was entered into property on tag no. 88031.

It was requested by me that [] accompany the investigators to ECPD voluntarily so that we might obtain initial statements from them. Both agreed to do so.

The next residence we were shown was at []. This residence belonged to a subject []. He said that [] had received approximately 9-10 sticks of dynamite.

(For details reference [] refer to the attached report by Sgt. [])

Due to the fact that the dynamite which was recovered from the trunk of the vehicle in the apartment complex in [] had obviously been tampered with (some was completely wrapped in tape, some was taped to what appeared to be a magnet, and others were taped to live ammunition, apparently some type of shrapnel device), it was the opinion of all the investigators involved, and specifically that of Sgt. [] of the Arsons Explosives Unit, that the dynamite had in fact been tampered with and that the danger to the community was extremely great. Because of the number of locations involved, the urgency of locating all the explosive devices as soon as possible, and providing for officers safety, the investigators involved were divided up into two groups. Officer [] (ECPD), Dep. (SDSO Arson Explosives Unit), Det. [] (SDPD) and I first went to the apartment located at []. We knocked on the door several times and identified ourselves as police officers and received no response. I then obtained a passkey and opened the door. There was no one inside the apartment. A search of the apartment revealed no indication of any explosive devices or parts thereof. Prior to leaving, [] was contacted and he indicated there was a subject who fit [] description who had frequented the apartment.

These rolls of tape appeared similar to the tape which had been used to tape together the dynamite which had been originally impounded from the address of [redacted]. [redacted] was subsequently placed under arrest for 12303 PC and taken to ECPD.

There, at approximately 0240 hours, I advised [redacted] of his rights per a b6 Miranda admonishment card. [redacted] said he understood his rights by stating, b7C "Yes," to the first question and, "Yes," to the second question. Also present during this interview with [redacted] was Det. [redacted] of SDPD. (For statement by [redacted] refer to Det. [redacted] supplemental report. Also attached will be the transcript of that interview.)

During the investigation, we were called by the manager of the apartment complex at [redacted] and advised that the occupant of [redacted] as well as the subject who was described as [redacted] were currently at the apartment. Contact was made with [redacted] by Sgt. [redacted] (SDPD). Because of the previous information gathered during the investigation, [redacted] was arrested for 12303 PC Possession of a Destructive Device and brought to ECPD. Because of his association with [redacted] and the probability of his involvement in the sale or distribution of the dynamite, [redacted] was also brought to ECPD.

Charges against white supremacists reinstated

United Press International

LOS ANGELES — An appellate court has reinstated cross-burning charges against 13 neo-Nazis and Ku Klux Klan members, including two members of The Order white supremacist group recently convicted of federal racketeering charges.

Other defendants in the misdemeanor cross-burning case include Richard Butler, the head of the Idaho-based Aryan Nation, another white supremacist group, and Tom Metzger, a California KKK leader who was the Democratic Party's losing candidate for a San Diego County congressional seat in 1980.

A fifth defendant is Order member David Tate, who has been convicted of killing a Missouri state trooper. Tate was also indicted in the federal racketeering case in Seattle.

The Los Angeles case stems from a December 1983 triple-cross-burning incident outside a Kagel Canyon home in the San Fernando Valley. The 10-misdemeanor charges include unlawful assembly, conspiracy to commit an unlawful assembly and having a hazardous fire.

The case was dismissed by Municipal Court Judge Sidney Cherniss in 1984 on a legal technicality raised by defense attorneys who argued the city attorney's office had not properly drafted the criminal complaint.

Deputy City Attorney Gregg Wolff said Cherniss, after considering police arrest reports, ruled the complaint was legally insufficient.

Prosecutors appealed the dismissal to the Superior Court Appellate Department, which ruled the complaint was legally sufficient, Wolff

said. The appellate court also ruled that the arrest reports should not have been considered by Cherniss in dismissing the case, Wolff said.

Wolff said the case now will probably be sent back to Cherniss's court in a few weeks so the defendants can enter pleas to the charges. The defense, however, can request a rehearing before the appellate court.

Besides Butler, Metzger and Tate, the 13 defendants include Randall Evans and Frank Silva.

Evans and Silva are two of ten Order members convicted in Seattle on Dec. 30 of federal racketeering and conspiracy in connection with a pattern of illegal activities, including armed robberies, counterfeiting and the murder of Denver talk-show host Van Berg.

Right-wing hate groups have chosen five states in the Northwest as a "whites-only nation" to be rid of Jews and other minorities, a coalition of religious and civil rights leaders charged in Seattle. The coalition warned that Washington, Oregon, Idaho, Montana and Wyoming are particularly vulnerable to the racist efforts because they have large white populations suffering from unemployment, particularly in rural areas. The active hate groups are the Ku Klux Klan, The Covenant, the Sword and the Arm of the Lord, the Aryan Nations Church, The Order and the Duck Club, the coalition said.

INVESTIGATION.

BACKGROUND/PURPOSE:

WAR WAS ESTABLISHED BY THOMAS LINTON METZGER, A RESIDENT OF FALLBROOK, CALIFORNIA, A SMALL COMMUNITY NORTH OF SAN DIEGO. WAR, WHICH HAS ALSO USED THE NAMES WHITE AMERICAN POLITICAL ASSOCIATION (WAPA) AND WHITE ARYAN RESISTANCE, ESPOUSES THE PRINCIPALS OF WHITE SUPREMACY AND HAS SUPPORTED MEMBERS OF "THE ORDER" WHO HAVE BEEN CONVICTED OF NUMEROUS CRIMES UNDER THE RICO STATUTE.

METZGER, WHO HAD AN ORDER PROVIDED CODE NAME "RADIO" IS ALSO REPORTED TO HAVE PROVIDED RADIO EQUIPMENT TO MEMBERS OF THE ORDER PRIOR TO THE ROBBERY AND TO HAVE INSTRUCTED ORDER MEMBERS IN ITS USE AND OPERATION.

ON FEBRUARY 7, 1986, METZGER AND OTHER LEADERS OF WHITE HATE WHITE SUPREMACY GROUPS WERE PRESENT IN SEATTLE, WASHINGTON FOR THE

IN THIS MATTER, WHICH HAS BEEN REPORTED IN BRINKROB, MAJOR CASE 61,
OO: SAN FRANCISCO.

THE INVESTIGATIVE TARGET IN THE SAN DIEGO DIVISION IS THOMAS LINTON METZGER, WHO RESIDES AT 308 SUNBEAM LN., FALLBROOK, CA. FALLBROOK IS A SMALL COMMUNITY LOCATED IN THE NORTHERN PART OF SAN DIEGO COUNTY, APPROXIMATELY 60 MILES NORTH OF DOWNTOWN SAN DIEGO. METZGER IS A SELF-EMPLOYED TELEVISION REPAIRMAN, DBA FALLBROOK TELEVISION AND ELECTRONICS, OUT OF HIS RESIDENCE IN FALLBROOK. HIS TELEPHONE NUMBER IS (619) 728-6224. HE ALSO IS RESPONSIBLE FOR A WHITE POINT PUBLISHING COMPANY, P.O. BOX 65, FALLBROOK, CA., WHICH FURNISHES WHITE SUPREMICIST LITERATURE. HE IS ALSO KNOWN BY THE NAME OF "RADIO".

ANOTHER GROUP TRACED TO METZGER INCLUDED THE WHITE AMERICAN POLITICAL ASSOCIATION, P.O. BOX 65, FALLBROOK, CA.; A REFERENCE TELEPHONE NUMBER FOR THAT WAS (619) 463-6320.

METZGER WAS A FORMER GRAND DRAGON FOR THE CALIFORNIA KU KLUX KLAN (KKK) SECTOR. HE HAS HAD A LONG ASSOCIATION WITH FAR RIGHT-WING GROUPS, AND CAME TO THE PUBLIC EYE IN THE LATE 1970'S WHEN HE OFFERED THE KKK TO HELP THE U.S. BORDER PATROL HUNT ILLEGAL ALIENS. METZGER HAS BEEN THE SUBSCRIBER TO SEVERAL TELEPHONE NUMBERS IN

PAGE FOUR SD 100A-19839 UNCLAS

CALIFORNIA WHEREIN HATE MESSAGES ARE AVAILABLE FOR THE CALLER.

THE FOLLOWING INVESTIGATIVE APPROACHES ARE BEING PURSUED AT
THIS TIME BY THE SAN DIEGO DIVISION REGARDING METZGER:

SPECIFICALLY, SAN DIEGO IS PURSUING FEDERAL VIOLATIONS OF METZGER IN THE AREAS OF THE RICO STATUTES, ITSP STATUTE, AND CIVIL RIGHTS VIOLATIONS, AS WELL AS POSSIBLE POSTAL VIOLATIONS AND/OR INCOME TAX VIOLATIONS.

THE AGENT PRESENTLY ASSIGNED TO THIS CASE IS RESPONSIBLE FOR DOMESTIC TERRORISM MATTERS IN THE SAN DIEGO AREA. IN ADDITION, HE IS ALSO ASSIGNED RESPONSIBILITIES INVOLVING INTERNATIONAL TERROSIM.

INQUIRIES WITH THE LOCAL JURISDICTIONS, INCLUDING THE SAN DIEGO COUNTY SHERIFF'S OFFICE, INDICATE THAT METZGER MAINTAINS A LOW PROFILE ON SAN DIEGO COUNTY AND DOES NOT ATTRACT ATTENTION OF LAW ENFORCEMENT.

SAN DIEGO IS AT THIS TIME [REDACTED]
